

## MINOR INJURIES MON-FRI 8.00 AM - 6.30 PM

Did you know that we treat these here?

We can assess and in most cases treat without the need to go to casualty.

*For example:-*

Other injuries or concerns after a trip, fall or bang on the head

Cuts - including those that need stitches

**AND LOTS MORE !**

If we can't treat your injury here we can send you on to casualty with a letter which should mean that you are seen quicker.
